

## **Healing Scriptures: By Julie Morse**

Sometimes God heals instantly and sometimes He takes us through the medical process to bring healing.

Whatever you are facing, I encourage you to go forward in faith, knowing that Jesus is our healer and God wants us whole.

God wants to heal us completely and make us whole.

Jesus, has already paid the price for every sickness and every disease.

He heals us physically, spiritually and emotionally and there is nothing more powerful than declaring God's Word over our lives.
